

**MAKE AMERICA HATE AGAIN
(PRESIDENTIAL HATE AWARDS)
Mike Delaney, 2/20/20**

Welcome to the White House, I hope you enjoy these prizes.
We've got some people to honor, and some may be surprises.
We've gathered our faithful supporters to celebrate this day.
There's Rush and Sean, Laura and Tucker, and some from far away.

Chorus:

**I love to give out awards. They reflect so well on me.
Amplifying my values. And what I truly believe.**

I'm the master of ceremonies. I give out the awards.
Everyone's eyes on me. I won't be ignored.
There's so much to hate, but we reward what we hate most.
The Presidential Hate Awards, for the Haters, coast to coast.

Chorus

Let's give out the awards to all those we hate
Because we know our detestations make America great:
Immigrants, Moslems, Democrats, Socialists,
Refugees, Anchor Babies, Mexicans, Communists

Bridge:

Make America Hate Again; That truly is my brand
Make America Hate Again; Will be heard throughout the land
MAHA MAHA MAHA MAHA; HAHA HAHA HAHA HAHA
Make America Hate Again; Will be heard throughout the land

Final Chorus:

**I love to give out awards, but saved the best one for me
Because I'm the King of Hate, and hope that you agree
Yes, I'm the King of Hate, and I hope that you agree**
