

Trump-Gazi

Mike Delaney 11/7/18

Chorus:

Trump-Gazi; Trump-Gazi
It's gonna be a Trump-Gazi
Trump-Gazi; Trump-Gazi
It's gonna be a Trump-Gazi

We took the house now investigations start
Every day 'till 2020
The man at the top and all his swamp
Are gonna answer plenty

You thought Hillary had a lot of hearings
And it turned into her autopsy
But you can bet, you ain't seen nothin' yet
Now it's gonna be a Trump-Gazi

Chorus

First his tax returns that's the place to start
Then we're gonna get every document
Every shady deal; everything he stealed
And all the other emoluments

He'll hear the whirr of the wheels of justice
Zooming in like a kamikaze
There'll be no debate; he's not gonna skate
From the never-ending Trump-Gazi

Chorus

You can bet the pressure will be intense
He'll lose his smug demeanor
Across the nation, the interrogations
With no way to quash the subpoenas

It'll go on for as long as he is there
On trial like a Nuremberg Nazi
No lofty perch, it's a cavity search
Good luck with the full-body Trump-Gazi

Chorus x2
